

Pregnant With Pets; A Seminar for Expecting Parents with Pets

*Learn how to set your **WHOLE** family up to succeed when your new baby arrives!*

Pregnancy is a time filled with unknowns. This webinar is designed to minimize the uncertainty surrounding how to best integrate the new baby with the beloved family pets! Pet owners will learn steps to help companion animals adjust to the arrival of a newborn into their family. Develop a plan on how to ready the whole household for the new bundle of joy!

Speaker: Elizabeth S. M. Feltes, DVM
